6.8. OVERTIME REIMBURSEMENT FOR ATF NORTH BORDER VIOLENT CRIMES TASK FORCE (PD0189)

The Minot Police Department is in the process of finalizing participation with the ATF North Border Violent Crimes Task Force. This reimbursement authorization will assist in offsetting overtime and related costs for a designated investigator as he/she investigates crimes related to firearms, illegal drugs, and other violent offenses pursuant to a finalized memorandum of understanding (MOU) with ATF.

1. **Recommend approval to receive overtime and other related costs reimbursement regarding participation with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) North Border Violent Crimes Task Force; and**
2. **Authorize the Chief of Police and City Finance Director to finalize State and Local Overtime Funding (SLOT) and Unified Financial Management System (UFMS) with the US Department of Justice (DOJ); and**
3. **Approve an ordinance amending the 2020 annual budget to increase the Police department salary and benefit revenues and expenditures for Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) Joint Law Enforcement Operations Program.**

6.10. AWARD OF BID- WATER/SEWER CRANE TRUCK (PROJECT NUMBER 4324)

On December 31, 2019, the Public Works Department opened bids for a truck mounted crane for the Water and Sewer Department. Two bids were received, and they are as follows:

Bidder Make/Model - Crane Base Bid

Westlie Motor Company 2020 Ford F750 – Auto Crane \$143,157.20

Advanced Fleet Services 2020 Ford F750 – Palfinger \$142,658.94

The unit bid by Advanced Fleet Services differed from the unit specified in many areas. The specifications read "All deviations will be considered in relation to value and price". The areas of deviations include less cargo space, thinner steel thickness, shorter crane reach, and a body configuration that is different from what was specified. The unit bid by Westlie Truck Center meets all of the specifications for the crane and body. Awarding to Westlie Truck Center for the additional \$498.26 is the purchase with the best value.

- 1. Recommend council award the storm Water/Sewer Department crane truck bid to Westlie Truck Center in the amount of \$143,157.20.**
- 2. Recommend council approve a budget amendment to move the funds for the crane truck from the 2019 budget to the 2020 budget.**

6.12. 4505 – 2022 SAFE ROUTES TO SCHOOL - EDISON ELEMENTARY

In 2010, a comprehensive study titled "Minot Safe Routes to School Study" was conducted for the City of Minot. The purpose of the study was to inventory existing safe routes to school for Minot elementary students and to identify and prioritize infrastructure improvements necessary to expand Minot's safe route to school networks.

The proposed project falls in line with improvements prioritized in the comprehensive study. To date, improvement priorities 1, 2, 3, 4, 5, 6, 11, 12 and 14 identified in the City of Minot Safe Routes to School Study have been completed. The proposed project for 2022 follows the recommended safe route improvements listed as Priority #7 in the City of Minot Safe Routes to School Study.

Recommend approval of the cost participation with the North Dakota Department of Transportation (NDDOT) for the Edison Elementary Safe Routes to School project, contingent upon project selection from the NDDOT.

7. ACTION ITEMS

7.1. ADOPTION OF THE UPDATED PURCHASING POLICY

City staff met internally to review and modify the current purchasing requirements. The Purchasing Policy (“Policy”) was given to the City Council for review and is now ready for adoption.

It is recommended the City Council approve the attached resolution adopting the proposed Purchasing Policy which includes the Buy Local Task Force’s recommendation to include the definition of “Local Vendor” and the section relating to “Local Vendor” in the proposed Purchasing Policy. Approve on second reading the changes to Division 2, of Article IV, Chapter 2, of the City of Minot Code of Ordinances.

7.2. GENERAL AVIATION APRON PH. II (AIR069) AND PH. III (AIR073) RE-BID

The paved areas in the vicinity of the General Aviation Ramp have been identified by Airport, the FAA, and the State Aeronautics commission as being in a state of disrepair and in need of replacement. In response, the Airport developed a multi-year Capital Improvement Plan to address the issue. This is a three-phase plan approved by Committee and Council in 2015. Phase I of the plan (the North Apron) was completed in late 2017. While design and engineering components have already been completed, construction of Phases II and III as originally included in the 2018 budget was pushed back until 2019 and beyond to address City budget concerns and the availability of FAA entitlement funding for the project.

The Airport is now moving forward as grant funds were awarded by the FAA and State Aeronautics. This project was approved as part of the 2019 Airport capital improvements budget, which allows for 95% reimbursement from the FAA and State Aeronautics.

1. **Recommend authorization to the Airport Director to commence the Request for Proposal process for the General Aviation Apron Reconstruction Ph. II and III; and**
2. **Recommend approval of the budget amendment to decrease 2019 Airport capital expenses, Federal, and State revenue and increase 2020 Airport capital expenses, Federal, and State revenue; and**
3. **Recommend authorization to award the project to the lowest qualified bidder; and**

4. Authorize the Mayor to sign any applicable documentation.

- 7.3. CONSIDER CDBG-NDR DEVELOPER AGREEMENT WITH BLU ON BROADWAY
The City issued a Request for Proposals specifically for mixed use projects either rehab or new construction using CDBG-NDR funds to seek to stimulate needed new investment in both commercial and LMI affordable multi-family housing development. The City received one proposal from Blu on Broadway, LLC for construction of an at least \$10 million new building on a vacant site abutting South Broadway to include ground floor of 10,000 square feet of new commercial tenants and additional floors of 38,462 square feet for 42 units of quality Low/Moderate Income eligible multi-family rental units.

It is recommended the City Council consider the developer's agreement with Blu On Broadway, LLC for CDBG-NDR multi-purpose commercial/LMI residential rental project.
