5.6. STORM SEWER DISTRICT 123 – 10TH STREET SW – FINAL PAYMENT (4393)

Storm Sewer District 123 - 10th St SW was included in the approved capital improvements plan for 2019 design and 2020 construction and is now complete.

Recommend that Council approve the final payment to the Wagner Construction in the amount of \$162,990.49.

Documents:

5.7. LED STREETLIGHTS – AWARD OF BID (PROJECT NUMBER 4615)

The Traffic Department maintains a majority of the streetlights throughout the City of Minot. A majority of these streetlights utilize the traditional high-pressure sodium, or HPS, light bulbs. As an industry standard, HPS lighting is being phased out for more efficient Light-Emitting Diode, or LED, streetlights. Over the next few years, the Traffic Department will continue making efforts to upgrade the City's streetlights from HPS to LED. On July 8, 2021, bids were opened for 160 LED streetlights for the Traffic Department. A single bid was received from Gefroh Electric, Inc. in the amount of \$131,280.

1. **Recommend council approve the bid from Gefroh Electric in the amount of \$131,280.**
2. **Recommend council approve a budget amendment that increases the Traffic capital equipment fund and decreases the Traffic street lights and signal maintenance fund \$16,352 to cover the cost of the bid.**

5.8. ENGINEERING STUDY AT THE INTERSECTION OF 1ST STREET SW AND 13TH AVENUE SW

An investigation was recently completed regarding motorist safety at the yield controlled intersection of 1st Street SW and 13th Avenue SW. The engineering study consisted of applying AASHTO's guidelines for intersection sight triangles, per City of Minot ordinances. Actual conditions at the intersection do not meet AASHTO's sight distance recommendations for a yield controlled intersection. The use of a stop sign instead of a yield sign should be considered.

It is recommended that Council pass an ordinance modifying the 1st Street SW approaches from Yield control to Stop control at the intersection with 13th Avenue SW.

5.9. MINOT INTERNATIONAL AIRPORT RESCUE PLAN ACT OF 2021 (ARPA) GRANT ACCEPTANCE

Similar to the CARES ACT funding received by the Airport in 2020, ARPA funding is offered to airports to assist with costs related to operations, personnel, cleaning, sanitizing, janitorial services, prevention, preparation, and response to the COVID-19 pandemic. This round of relief is money allocated specifically for airport concessionaires (e.g. car rental companies and food & beverage retailers). Minot

International Airport has been offered \$2,442,145 for operational expenses and \$140,586 to be used to assist on-airport concessionaires.

1. **Recommend Council approve acceptance of ARPA grant as described in the attached Application for Federal Assistance SF-424's; and**
2. **Authorize the Mayor to sign any applicable documentation for application and acceptance of the grant.**

~~5.10. OAG AVIATION WORLDWIDE, LLC (OAG) LICENSE AGREEMENT RENEWAL~~
~~OAG has provided automated flight information for the airport's website for several years. The annual support agreement will provide continuous flight information to the website as well as any technical assistance to airport staff. This is an updated contract provided by OAG.~~

- ~~1. **Recommend Council approve the annual support agreement with OAG for the airport's website flight information; and**~~
- ~~2. **Authorize the Mayor to sign the agreement**~~

5.11. ENCROACHMENT PERMIT - 111 CENTRAL AVE W
S-J ONE ELEVEN, LLC wishes to provide access to their building from the northern adjacent public sidewalk. The interior finished floor elevation is approximately 7" higher than the exterior sidewalk elevation. This ramp is necessary to provide ADA access to this business.

Recommend approval of the Right of Way Encroachment Agreement Application submitted by S-J ONE ELEVEN, LLC for the installation of an ADA access for their building at 111 West Central Avenue.

5.12. ENCROACHMENT PERMIT - 1602 27TH STREET SE
Dakota Agronomy Partners submitted an encroachment permit application for a sign for a sign within the right of way east of their property at 1602 27th St SE. Because of the previous realignment of 27th St SE, there is excess right of way in this location.

Recommend approval of the Right of Way Encroachment Permit Application for the sign at 1602 27th St SE.

6. ACTION ITEMS

6.1. CARNEGIE CENTER LEASE WITH MACA

The City of Minot owns the Carnegie Center and for the last ten years has leased it to the Carnegie Association of Minot. The lease expires in August 2021. Staff has heard concerns from the public regarding non-responsiveness and inaccessibility to rent the facility for events. The facility is also in need of significant cleaning and maintenance. The City Manager has discussed other possible uses with staff and community leaders over the last several months in an effort to re-establish community pride and access to the building. MACA was interested in leasing the building and making it accessible to the general public, as well as programming arts and cultural events in the facility.

It is recommended the City Council approve a two-year Lease of the Carnegie Center to Minot Area Council of the Arts (MACA).
