

Auction/Salvage/Demolition Determination

File: _____ 6105 - Ouradnik _____

Address: _____ 1420 1st Ave Se _____

Recommend structures to be sold at auction and/or salvaged

Recommend structures to be salvaged only

Recommend structures to be demolished

Notes

The house itself is a manufactured home that was built in 2012. This modular home could be easily moved. There is a shed in the backyard that is trash, it was never cleaned out after the flood. Therefore, it is recommended this home be put up for auction and the shed be demolished.
