

Auction/Salvage/Demolition Determination

File: 4440- Perry Miller

Address: 303 6th St NE

Recommend structures to be sold at auction and/or salvaged

Recommend structures to be salvaged only

Recommend structures to be demolished

Notes

This single-family home was built in 1910. The main floor of the home is in decent condition and includes light fixtures, cupboards, and appliances that could be used for salvage. There is a detached shed which is not in good condition that should be demolished. Therefore, it is recommended this home be auctioned as salvage only.
