-Einstein Features

SFDC may offer Customer access to Einstein features via the Services. Customer's use of the Einstein features shall be subject to the Order Form Supplement for Einstein features available at <https://www.salesforce.com/company/legal/agreements.jsp> ("Supplement") which is hereby made part of this Order Form. Upon Customer's first use of an Einstein feature in an instance of the Services, Customer will be presented with an In-App Message directing Customer to confirm acceptance of Einstein feature terms and conditions. Instructions for enabling/disabling each Einstein feature in any instance are outlined in the Documentation here: https://help.salesforce.com/apex/HTViewSolution?urlname=Einstein-Enable-Disable&language=en_US The functionality of the Einstein features shall not be considered a material component of the Services being provisioned hereunder. The Einstein features are not available to some customers, including Government Cloud as stated in the Documentation.

-Lightning Platform Plus

Each Lightning Platform Plus User and other Lightning Platform Plus Users in such User's management chain, may access such User's Cases and/or Work Orders for purposes of creating, reading, updating and managing such User's Cases and/or Work Orders. Additionally, Lightning Platform Plus Users may access the Cases and/or Work Orders of other Lightning Platform Plus Users or Cases and/or Work Orders of other individuals for whom a Case has been created in connection with the Customer's recruiting or onboarding process, solely for purposes of creating, reading and commenting on such Users', or such other individuals', Cases and/or Work Orders. Each Lightning Platform Plus User is entitled to access no more than 110 custom objects through this subscription. Each Lightning Platform Plus User cannot: (A) be an individual other than a Customer employee or contractor, or (B) be an individual who supports external facing customer service Cases and/or Work Orders or whose primary function is to respond to or resolve employee Cases and/or Work Orders. Customer shall ensure the use restrictions set forth herein are followed, through User profile or permission set, limiting the number of custom objects included in the Community to the restrictions herein, etc. Customer understands that the above use restrictions are contractual in nature (i.e., these restrictions are not enforced in the Service as a technical matter) and therefore agrees to strictly review its Users' use of such subscriptions and enforce such use restrictions. SFDC may review Customer's use of such subscriptions at any time through the Service.

-Free Sandbox with Unlimited/Performance Edition

Sandbox subscriptions are for testing and development use only, and not for production use. As part of its system maintenance, SFDC may delete any Sandbox that Customer has not logged into for 150 consecutive days. Thirty or more days before any such deletion, SFDC will notify Customer (email acceptable) that the Sandbox will be deleted if Customer does not log into it during that 30-day (or longer) period. Deletion of a Sandbox shall not terminate Customer's Sandbox subscription; if a Sandbox is deleted during Customer's Sandbox subscription term, Customer may create a new Sandbox.

-Salesforce for Force.com Administration

The Salesforce for Force.com (Administrator) or Lightning Platform (Administrator) subscriptions may not be accessed or used to enter, view or modify Leads, Opportunities, Products, Forecasts, Cases, Solutions or Campaigns. Customer understands that these functionality limitations are contractual in nature (i.e., the functionality itself has not been disabled as a technical matter in the application) and therefore agrees to strictly monitor Users' use of such subscriptions and enforce the applicable restrictions. SFDC may audit Customer's use of the Salesforce for Force.com (Administrator) and Lightning Platform (Administrator) subscriptions at any time through the Service. Should any audit reveal unauthorized use of such subscriptions, SFDC will so notify Customer in writing (email permitted). If a subsequent audit reveals unauthorized use of the subscription, Customer agrees it will pay, within five (5) business days of notice of the audit results, the difference between (a) SFDC's list price for Enterprise Edition, Unlimited Edition or Performance Edition, as applicable based upon the edition in Customer's applicable Org, in effect at the time of such notice and (b) the amount paid by Customer for the subscription showing unauthorized use.
