ARTICLE III. MINOT AREA-WIDE PLANNING ORGANIZATION

Sec. 25-21. Created and established; composition; appointment and term of members.

There is hereby created and established the Minot Area-Wide Planning Organization which shall consist of eight (8) members to be appointed by the mayor of the city with the approval of the city council for a term of two (2) years. The Minot Area-Wide Planning Organization shall include three (3) members of the city council of Minot, one (1) member of the board of park commissioners of the city, one (1) member of the board of education of the city, one (1) member of the board of county commissioners of Ward County, North Dakota, and two (2) members at large who shall be residents of the city.

(Ord. No. 1783, § 1)

Sec. 25-22. Duties.

It shall be the duties of the Minot Area-Wide Planning Organization to:

1. Carry on area-wide comprehensive planning on a continuing basis in the city and its potential growth areas.

2. To apply for, receive and expend all advances, loans, grants and contributions and any form of financial assistance from the federal government, state, county or other public body or from any sources, public or private, for the performance of its duties herein.

3. To contract with the federal government and all other units of government, private persons and individuals as necessary or convenient to its duties and purposes.

4. To hire staff and perform such other acts as are necessary in the discharge of its duties.

5. To review all programs, federal, state or private in which it may participate and secure assistance in the performance of its duties.

6. All project applications shall be approved by the city council, and all funds shall be receipted, disbursed and accounted for by the city auditor.

(Ord. No. 1783, § 2)

1Editor's note(s)—Ord. No. 1783, §§ 1, 2, adopted April 18, 1972, did not expressly amend this Code; hence, inclusion herein as Art. III, §§ 25-21 and 25-22, was at the discretion of the editors. Catchlines were added by the editors to facilitate indexing, reference and use.
