To Whom It May Concern:

The current City of Minot alarm ordinance includes an annual remote alarm permit fee of \$30.00 for the issuance of an alarm permit. The alarm permit period will be from January 1st through December 31st of each year. **The permit is not required for fire or medical alarms.**

We have enclosed a copy of the current ordinance along with a permit application above. Alarm permit fees and false alarm fees are expected to be paid as stated and compliance is requested as we hope to maintain our well-established business relationship. It is our goal to work together to reduce the number of false alarms and to provide a safe environment to our community.

The Crime Prevention Office would appreciate your applying for a new permit as soon as possible. If you have any questions about your permit or false alarm charges, please feel free to contact our office.

Sincerely,

Chief John Klug - Minot Police Department
